

Para Swimming Report

Para events as part of the county championship program was again a success, with a new winner for the girls trophy, Harriet Dickinson, and Daniel Bennet winning the boys trophy again, both representing Gloucester.

12th March was the regional development day which consists of a training camp for swimmers on british programs, a new swimmer talent id come and try session, and a meet with events for all the swimmers.

Last years event was the first of its kind and was such a success that it was used nationally as a template for all events of its kind. This years event was event better with more swimmers attending the development day and meet, and 27 new swimmers attending the talent ID session.

The British leg of the para swimming world series takes place in Sheffield at the end of April. Entries are now open with 6 swimmers from the county currently meeting qualification standards.
