

Synchro report to the
Gloucestershire County ASA Executive meeting
Best Western Gables hotel, Falfield, Glos
13th March 2017

The ASASWR Synchro Standing Committee met on 28th January 2017 at Wellington and during the meeting the Committee was advised that the ASA would be rebranded as SwimEngland on 1st April 2017 to make it more marketable in order to raise money and avoid redundancies, and to bring it into line with SwimScotland and SwimWales.

The Committee also met on 25th February 2017 at Wellington, together with Maria Ramos (Chair of ASA Synchronised Swimming Group) and Sarah Darragh (National Synchronised Swimming Development Officer) to discuss the major changes to synchro which came into effect in 2017.

Ian Stuart

Gloucestershire County member and chair of the
